MATEL LED projector white IP65 sensor 50W cold

Brand: MATEL

Reference: ALFA 29977

MATEL 50W White IP65 LED Floodlight with Sensor

The MATEL 50W LED Floodlight is ideal for lighting outdoor passageways thanks to its design with motion sensor and high energy efficiency. With a watertight finish and instant electronic ignition, it offers optimal performance and a long lifespan.

- Energy rating: F, saves up to 90% energy
- Direct installation without additional transformer
- Light opening angle: $\geq 120^\circ$
- Material: White cast aluminum with glass cover
- Color temperature: 6400K (cold)
- Average lifespan: up to 30,000 hours
- Warranty: 2 years

Description

MATEL 50W White IP65 LED Floodlight with Sensor The MATEL 50W LED Floodlight is the perfect solution for those looking for efficient and reliable outdoor lighting. Designed to illuminate outdoor passageways, this floodlight combines advanced technology with an elegant and functional design. Its integrated motion sensor ensures that the light is turned on only when necessary, optimizing energy consumption and providing additional security to your home or business. With an F energy rating, this LED floodlight is capable of saving up to 90% of energy compared to traditional lights, which translates into a lower cost on the electricity bill. Its installation is simple and straightforward, as it does not require an additional transformer, which facilitates its immediate use. The MATEL LED Floodlight offers a light opening angle of 120° or more, ensuring wide light coverage that effectively illuminates large areas. Made from white cast aluminium with a glass cover, this floodlight is not only sturdy and durable, but also adds a modern and sophisticated touch to any outdoor space. With a colour temperature of 6400K, this floodlight emits a cool light that is ideal for improving visibility in the dark, creating a safe and well-

lit environment. In addition, its average lifespan of up to 30,000 hours ensures long-lasting performance, reducing the need for frequent replacements and maintenance. The MATEL LED Floodlight is designed to withstand the elements thanks to its IP65 rating, making it waterproof and suitable for any weather conditions. With a 2-year warranty, this floodlight offers peace of mind and confidence in your investment.

Specifications

Frequency	50/60
Opening angle	120
Energy classification	A+
Colour	White
Cri (Ra)	80
EAN	8425160299774
Manufacturer	ALFADYSER
Lumens (lm)	5000
Material	Aluminio fundido/Cristal
Measures	5x15, 19, 5x5, 4cm
Weight (kg)	0
Battery included	No
Protection	IP65
Adjustable	No
Nominal voltage (V)	230V
Colour temperature	6400
Estimated life (h)	30000
