WORGRIP 20V brushless hammer drill without battery

Brand: WORGRIP

Reference: ALFA 48809

WORGRIP 20V brushless hammer drill

The WORGRIP 20V hammer drill is a powerful and versatile tool, ideal for demanding jobs. Its brushless motor prevents overheating, ensuring optimal performance. With two variable speeds and an ergonomic design, it offers comfort and precision in every use.

- Anti-heat BRUSHLESS motor
- 2 speeds: 0-500 rpm/min and 0-2000 rpm/min
- Impact rate: 0-8000 to 0-32000 BPM
- Maximum torque: 72 Nm
- Torque adjustment ring: 21+3
- Change of rotation direction
- Ø 13 mm metal chuck
- Weight: 1.180 kg
- Ergonomic rubberized grip
- Integrated LED light
- Battery and charger not included

Description

Discover the WORGRIP 20V Brushless Hammer Drill The WORGRIP 20V hammer drill is the ultimate tool for those looking for power and versatility in their projects. Equipped with a brushless motor, this drill prevents overheating, ensuring optimal performance and prolonging the life of the equipment. Ideal for demanding jobs, its ergonomic design and advanced features make it an indispensable ally in any toolbox. With its two variable speeds, ranging from 0-500 rpm/min to 0-2000 rpm/min, the WORGRIP 20V adapts to different materials and needs, always offering the precision you are looking for. Its impact rate of 0-8000 to 0-32000 BPM allows you to easily drill even the hardest surfaces, while its maximum torque of 72 Nm ensures robust performance on every task. The 21+3-position torque adjustment ring

provides full control over the applied force, allowing for more precise and safer work. In addition, the change of the direction of rotation makes it easier to remove screws and perform screwing tasks more efficiently. The ø 13 mm metal chuck ensures a firm and stable hold on the bits, while its ergonomic rubberized handle offers a comfortable and secure grip, reducing fatigue during prolonged use. Weighing just 1,180kg, this drill is lightweight and easy to handle, allowing for total control in every application. The integrated LED light illuminates the work area, improving visibility in dark or hard-to-reach spaces. It is worth noting that the drill does not include a battery or charger, allowing you to customize your purchase to your specific needs. The WORGRIP 20V brushless hammer drill is the perfect choice for those looking for quality, performance and convenience in a single tool.

Specifications

High	29, 00
Width	31, 00
Colour	Black, Grey, Red
EAN	8425160488093
Manufacturer	ALFADYSER
Long	10, 00
Material	Metal/PVC
Weight (kg)	215, 2
Depth	#iREF!
Nominal voltage (V)	20V
Speeds	2
