Compact brushless hammer drill 20V 1 battery 2.0Ah WORGRIP

Brand: WORGRIP

Reference: ALFA 48387

WORGRIP 20V Compact Hammer Drill

The WORGRIP 20V Compact Hammer Drill is a powerful and versatile tool, ideal for demanding drilling jobs. Its compact and lightweight design makes it easy to handle, while the brushless motor guarantees long-lasting performance without overheating.

- Power: 20V
- Compact design: 16 cm long
- Weight: 0.91 kg (without battery)
- Anti-heat BRUSHLESS motor
- 2 variable speeds: 0-400 rpm/min and 0-1650 rpm/min
- Impact rate: 0-6000 to 0-24000 BPM
- Maximum torque: 50 Nm
- Torque adjustment ring: 20+3 positions
- Ø 13 mm metal chuck
- 2.0 Ah Lithium (Li-Ion) battery
- Quick charge time: 1.5 hours
- Charger connection: 230 V ~ 50 Hz
- Integrated LED light for better visibility
- Includes accessory kit

Description

WORGRIP 20V Compact Hammer Drill: Power and Versatility in Your Hands

The **WORGRIP 20V Compact Hammer Drill** is the ideal tool for those looking for performance and

comfort in their drilling projects. Designed to tackle demanding jobs, this drill combines power and lightness, becoming an indispensable ally in any toolbox.

With a **power of 20V**, the WORGRIP guarantees precise and efficient drilling. Its compact design, only 16 cm long, and its light weight of 0.91 kg (without battery) make it easy to handle, allowing you to work in tight spaces effortlessly. The brushless, heat-resistant motor ensures long-lasting performance, preventing overheating and extending the life of the drill.

This drill offers **two variable speeds**, 0-400 rpm/min and 0-1650 rpm/min, adapting to different materials and drilling needs. Its impact rate, which varies from 0-6000 to 0-24000 BPM, provides the force needed to drill through hard surfaces with ease. In addition, the **maximum torque of 50 Nm** and the torque adjustment ring with 20+3 positions allow precise control for every task.

The **13 mm metal chuck** ensures a firm grip on the drill bits, while the 2.0 Ah Lithium (Li-Ion) battery offers long autonomy. The quick charge time of just 1.5 hours ensures that the drill is always ready for use. The charger connection to 230 V ~ 50 Hz makes it easy to recharge anywhere.

To improve visibility in dark areas, the WORGRIP includes an **integrated LED light**. In addition, the drill comes with an accessory kit, providing everything you need to start working immediately. With the WORGRIP 20V compact hammer drill, power and versatility are at your fingertips.

Specifications

Frequency	50
High	23, 00
Width	26, 00
Colour	Black, Red, Green
EAN	8425160483876
Manufacturer	ALFADYSER
Long	11, 00
Material	Metal/PVC
Weight (kg)	2
Depth	#iREF!
Adjustable	Yes
Nominal voltage (V)	230V
Speeds	2
