Description

KÜKEN Smart 40W Column Fan: Innovation and Style for your Space

The **KÜKEN Smart 40W Column Fan** is the perfect solution for those looking for a cool and comfortable environment without sacrificing style. With an elegant black and white design, this fan blends harmoniously into any environment, whether at home or in the office. Its high-resistance PC structure guarantees durability and a modern look that complements any decor.

This column fan not only stands out for its appearance, but also for its **advanced technology** that allows precise control of the air flow. With a **3-speed selector**, you can adjust the intensity of the air according to your needs, while its **oscillating** function ensures even air distribution throughout the

room. Additionally, its **programmable timer** of up to 7.5 hours allows you to set the operating time, optimizing energy consumption and giving you peace of mind.

The **SMART** technology of the KÜKEN Smart 40W Column Fan offers operating modes adapted to different times of the day. The **normal** mode provides a constant flow of air, the **natural** mode simulates a gentle breeze, and the **sleep** mode gradually reduces the speed for an uninterrupted rest. These options ensure personalized comfort in any situation.

With a **cable length of 1.80 meters**, this fan offers flexibility in its placement, while its **non-slip support** provides stability on any surface. The included **remote control** makes it easy to control the fan from anywhere in the room, adding a touch of convenience to your daily use.

In short, the KÜKEN Smart 40W Column Fan combines functionality, technology and design, becoming an indispensable ally for maintaining a pleasant and stylish environment in any space.

Specifications

Timer	Yes
Frequency	50
High	71, 00
