Description

Cloth Polishing Disc For Drill Ø 80mm

Discover the perfect solution for your polishing needs with the **Cloth Polishing Disc For Drill Ø 80mm**. This disc is designed to offer a flawless finish on a variety of surfaces, thanks to its 100% cotton cloth construction. Its Ø 80 mm measurement makes it ideal for precision work, allowing you to reach those difficult corners with ease.

This polishing disc is the ideal tool for those looking to restore the shine and beauty of their objects. It is perfect for polishing car bodies, sheet metal, non-ferrous metal, wood, plastic and more. Whether you are working on car headlights, rims, jewelry, stainless steel or watches, this disc will provide you with a professional finish.

With a maximum RPM of 4500, this disc guarantees optimal performance without compromising safety. It is recommended to wear protective eyewear to ensure a safe and smooth polishing experience. The versatility of this disc makes it an indispensable tool in any workshop or for the DIY enthusiast looking for quality results.

The **Cloth Polishing Disc For Drill Ø 80mm** is not only efficient, but also easy to use. Simply attach it to your drill and you are ready to transform dull surfaces into shiny masterpieces. Its cotton design ensures that it will not damage delicate surfaces, providing a smooth and even polish.

- Measurement: Ø 80 mm
- Material: 100% cotton cloth

- Maximum RPM: 4500
- Ideal for: Bodywork, metals, plastics, wood
