Description

HH 1 1/2 Drain Elbow

The **HH 1 1/2 Drain Elbow** is a versatile and efficient solution to your plumbing and sewerage needs. Designed with a 90º angle, this elbow is ideal for redirecting water flow in drainage systems, ensuring optimal performance in any installation. Its white color not only gives it a clean, modern look, but also easily blends into any environment, whether residential or commercial.

Made of polypropylene, this elbow is highly resistant to damage, water, chemicals, and organic matter, ensuring a long life and minimal maintenance. Polypropylene is known for its durability and strength, making it the perfect material for demanding plumbing applications. Additionally, its HH 1 1/2 size makes it compatible with a wide range of systems, allowing for quick and easy installation.

- **Versatility:** Compatible with different types of plumbing and sewer systems.
- **Durability:** Made of polypropylene, resistant to damage and chemicals.
- **Easy installation:** HH 1 1/2 size for hassle-free integration.
- **Aesthetics:** White color that adapts to any environment.

The **HH 1 1/2 Drain Elbow** is the perfect choice for those looking for a reliable and long-lasting solution for their plumbing projects. Its high-quality design and materials ensure that you can trust its performance, no matter what conditions it faces. With this elbow, you get not only functionality, but also peace of mind knowing that your drainage system is in good hands.
