Description

Wolpack Wire Stripper and Cable Cutter 0.2-0.6mm

The **Wolpack Wire Stripper and Cable Cutter 0.2-0.6mm** is the ideal tool for professionals looking for efficiency and precision in their industrial work. Designed to offer a complete solution, this tool combines the functions of a wire stripper and a cable cutter, allowing you to work with copper and aluminum cables quickly and easily.

- **Stripping diameter:** With a range of 0.2 to 0.6 mm, these pliers are perfect for handling a variety of cables, from single-stranded wires to multi-stranded and ribbon cables.
- **Ergonomic design:** Its red and black color not only gives it a professional look, but also makes it easy to locate in the work environment. The duckbill head is especially useful for stripping wire in tight spaces, increasing the versatility of the tool.
- **Versatility of use:** Suitable for insulated, horn, stranded and hard copper wire, these pliers are a multi-functional solution that adapts to a variety of needs.
- **Ease of use:** The combination of functions in one tool reduces the need to constantly change tools, saving time and effort.

Also known as multi-function wire stripper, wire stripping pliers, automatic wire stripper, among other

names, this tool is a must-have in any toolbox. The **Wolfpack Wire Stripper Pliers** not only improves work efficiency, but also guarantees a professional finish on every task. Its robust design and advanced functionality make it a smart investment for any professional in the electrical or telecommunications sector.
