Description

50mm Enamel Roller Replacement Handle

The **50mm Enamel Roller Replacement Handle** is the ideal tool for those looking for precision and comfort in their painting projects. Designed to offer superior performance, this handle is compatible with 50mm rollers, ensuring a perfect fit and efficient handling.

- **Measurements:** With a length of 41.5 cm, this handle provides the reach needed to cover large surfaces effortlessly.
- **High quality materials:** Made of resistant polypropylene, the handle guarantees durability and a comfortable grip. The steel rod adds sturdiness, ensuring the handle can withstand heavy use without warping.
- **Compatibility:** This handle is compatible with the 50mm acrylic enamel roller refills (ref: 12030200) and 50mm foam roller refills (ref: 12030206), offering versatility for different types of paint.

The **50mm Enamel Roller Replacement Handle** is more than just an accessory; it is an essential tool for any painter, whether professional or amateur. Its ergonomic design reduces fatigue during long work sessions, allowing for precise control and a flawless finish. In addition, its robust construction ensures that it is a long-lasting investment in your tool kit.

Also known as a roller replacement handle, roller handle, or roller rod, this product is synonymous with quality and efficiency. If you are looking for a paint handle that combines functionality and durability,

the **Replacement Handle for Enamel Rollers 50 mm** is the perfect choice to transform your painting projects into masterpieces.
