Description

100mm Enamel Roller Replacement Handle

The **100mm Enamel Roller Replacement Handle** is the ideal tool for those looking for precision and comfort in their painting projects. Designed to fit 100mm roller refills, this handle is a versatile and practical option for any DIY enthusiast or professional.

- **Measurements:** At 41.5 cm long, this handle offers optimal reach to cover surfaces evenly and efficiently.
- **Quality materials:** Made of durable polypropylene, the handle ensures durability and a comfortable grip. The steel rod provides stability and robustness, ensuring prolonged use without deformation.
- **Compatibility:** This handle is compatible with the 50 mm acrylic enamel roller refills (ref: 12030200) and 50 mm foam roller refills (ref: 12030206), making it a multifunctional tool for different types of finishes.

The **100 mm Enamel Roller Replacement Handle** is more than just an accessory; it is an efficient solution to obtain professional results in every painting application. Its ergonomic design makes it easy to handle, reducing fatigue during long work days. In addition, its compatibility with various refills allows it to adapt to different needs, whether for applying acrylic enamels or foam finishes.

With this handle, the task of painting becomes an easier and more pleasant experience. Its sturdy construction and high-quality materials ensure that it is a long-lasting investment in your tool kit.

Discover the difference a good handle can make in your painting projects and enjoy a flawless finish with every use.
