Description

100mm Acrylic Enamel Replacement Roller - Set of 10 Rollers

Discover the perfect solution for your painting projects with our set of replacement acrylic enamel rollers. Specifically designed to deliver a flawless finish, these 100mm rollers are ideal for a wide variety of surfaces, from doors and walls to stairs, furniture and ceilings.

- **High paint absorption:** Made from high-quality polyamide, these rollers feature a fibre density that guarantees excellent paint absorption. This not only makes application easier, but also ensures even coverage with every pass.
- **Versatility in use:** Thanks to their specialized design, these rollers are perfect for applying acrylic enamel, allowing you to work accurately and efficiently on any renovation or decorating project.
- **Durability and performance:** Polyamide not only provides superior absorption, but also offers exceptional durability, ensuring that each roller can be used repeatedly without losing its effectiveness.
- **Practicality in packaging:** The set includes 10 replacement rollers, allowing you to always have a clean roller on hand and ready to use, optimizing your time and effort in every painting task.

With this set of replacement rollers, transforming your spaces has never been easier. Take advantage of the quality and design of these rollers to achieve professional finishes in every project. The perfect combination of absorption, coverage and durability awaits you in every roller in this set.
