Description

Eco Cutter With 9mm Blade, Wolpack Cutter

Discover the essential tool for your cutting projects with the **Eco Cutter With 9mm Blade** from **Wolpack**. This cutter is the perfect choice for those looking for precision and comfort in every cut. With a blade length of 9mm, this cutter is ideal for a wide variety of applications, from cutting paper and cardboard to opening packages and cardboard boxes.

- **Carbon steel blade:** The 0.4mm thick blade is made of carbon steel, ensuring a clean and long-lasting cut. This feature is essential for jobs that require precision and efficiency.
- **Polypropylene body:** The body of the cutter is made of polypropylene, a material that provides lightness and resistance. This allows for easy and comfortable handling, reducing fatigue during prolonged use.
- **Ergonomic Grip:** Designed with user comfort in mind, the utility knife features an ergonomic grip that fits perfectly in the hand, providing optimal control with every movement.
- **Safety Button:** Safety is paramount, which is why this utility knife includes a safety button that prevents accidents by ensuring the blade only deploys when needed.
- **Bold Color:** Featuring a yellow and black design, this utility knife is not only functional, but also easy to locate in any work environment.

The **Eco Utility Knife With 9mm Blade** is the versatile tool you need for your craft projects, carpet cutting, upholstery, and more. Its practical and safe design makes it an indispensable ally in any home

or workshop.
