Description

Household Rectangular Window Scraper Blade (5 pieces)

Discover the **Household Rectangular Window Scraper Blade**, an essential product to keep your surfaces spotless. This set includes five 43mm blades, made of high-quality carbon steel, designed to offer exceptional performance in cleaning glass and crystals. Their rectangular shape and sharp edge make them ideal for efficiently removing dirt, stains and stickers.

These blades are perfect for a wide range of applications. From cleaning countertops and oven glass to removing residue on ceramic plates and tiles, their versatility is unmatched. The three-hole design of the scraper ensures a secure fit and easy handling, providing optimal control during use.

The use of carbon steel ensures superior durability, allowing the blades to maintain their edge for longer, which translates into fewer replacements and significant savings in the long run. Additionally, their ability to clean smooth surfaces without scratching them makes them a reliable option for the care of your spaces.
