Description

10cm Metal Handle Scraper Replacement Blade (Case of 10 Pieces)

Discover the efficiency and versatility of our metal handle scraper replacement blades, designed to make your construction and renovation tasks easier. Measuring precisely 100mm, these blades are made of carbon steel, ensuring exceptional durability and optimal performance with every use.

- **High Quality Material:** The blade is made of carbon steel, known for its strength and cutting ability, ensuring that every pass is effective and precise.
- **Versatile Design:** Its rectangular shape allows for comfortable and efficient handling, ideal for scraping wallpaper, vinyl, tiles, paint, decals, glue and more. Plus, its use as a window scraper makes it an indispensable multi-purpose tool.
- **Multiple Applications:** Perfect for construction professionals and DIY enthusiasts, this replacement blade is a practical solution for a wide range of surfaces and materials.
- **Easy to Use:** Its intuitive design allows for quick and easy changeover, optimizing your time and effort on every project.
- **10-Piece Case:** Each pack includes 10 replacement blades, ensuring you always have one on hand when you need it, maximizing your work efficiency.

With our scraper replacement blades, you'll experience faster and more effective surface cleaning and preparation. Their superior quality and ergonomic design make them an essential tool for any

renovation or construction project. Improve your results with the precision and reliability that only our carbon steel blades can offer.
