Description

120W EDM Coffee Grinder

The 120W EDM coffee grinder is the perfect complement for coffee lovers looking to enjoy freshly ground coffee in the comfort of their home. With a power of 120W and a safety locking system, this grinder guarantees efficient and safe operation. Its stainless steel housing gives it durability and an elegant look, while its stainless steel blades ensure uniform and precise grinding. In addition, it has a space to store the cable and a non-slip base for greater comfort during use.
