Product sheet

Automatic radiator air vent with 1" right float

Brand: JPB

Reference: SCO 16316

1" automatic drain plug with float, for aluminium radiators. Made of nickel-plated brass. Assembled with 1" conical rubber gasket in EPDM and safety plug. The safety plug must be unscrewed properly to allow air discharge, its full tightening completely closes the passage/bleed hole. Available in: Right-hand thread / Left-hand thread. Especially indicated for aluminium heating radiator installations. automatic drain plug with float
