Pluvia Duo side/bottom float tap

Brand: PLUVIA

Reference: SCO 32941

The compact side or bottom feed piston-closing Dúo Compact float valve from Idrospania is made from high-quality, lime-resistant plastic polymers. The valve can be configured for side or bottom feed thanks to the different assemblies. It has a built-in water filter, piston-closing, non-return system, is easy to adjust and is also suitable for all types of water. Regarding its technical characteristics, it stands out for its quick installation, its compatibility with all ceramic cisterns, working pressures from 0.5 to 10 bar and resistance to pressure peaks of up to 12 bar.
