CLIMAX 590 G glasses

Brand: CLIMAX

Reference: SCO 56026

COD. 56026: CLIMAX GAFA 590 G REF. 2015590200000

FEATURES: - The Climax 590 goggles have been designed to offer effective protection against the risk of impact from high-speed, low-energy particles and against ultraviolet radiation. - In this way, the goggles are able to resist the impact of small projectiles, such as wood, metal and plastic shavings, pieces of stems and branches that come loose when using gardening machinery, etc. - The speed of the projectiles must be less than 45 m/s. - Its special design minimally limits the angle of lateral vision and, thanks to its optical neutrality and extreme lightness, allows prolonged use without causing discomfort to the user. - The goggles have a single panoramic lens made of polycarbonate. Its nominal thickness varies between 1.9 and 2.6 mm.
