Description

The wooden mousetrap with 3 small 28mm holes is the perfect solution for catching rodents in tight spaces. Its compact and functional design makes it ideal for placing in corners or hard-to-reach areas where mice tend to hide.

Made from strong and durable materials, this mousetrap guarantees long-term and efficient use, without the need to constantly replace it. Its 3 small holes are perfect for capturing small rodents, ensuring effective capture.

Its practical design makes it easy to place and handle, allowing for quick and easy installation. In addition, its compact size makes it discreet and easy to hide anywhere in the house or enclosed space.

With this wooden mousetrap, you can keep your home free of pests safely and effectively. Don't waste any more time with ineffective methods, and trust in the quality and effectiveness of this product to control the presence of rodents in your environment.
