Description

The 10mm 100m bungee cord is a high-quality product that offers great strength and flexibility. With a high-tenacity polyester jacket and 100% latex core, this cord is soft to the touch and extremely durable.

Thanks to its high elasticity, this cord is ideal for a variety of uses, from naval and nautical applications to DIY and industrial projects. Whether it's for tying down objects, installing awnings or any other task that requires a high-quality bungee cord, this cord is the perfect choice.

The combination of durability and versatility makes this cord an indispensable tool in any tool kit. Its weather and abrasion resistance ensures that it can withstand the most demanding conditions without losing its elasticity or strength.

In short, the 10mm 100m bungee cord is a premium product that offers exceptional performance in a wide range of applications. Whether at sea, in the workshop or anywhere else where a reliable bungee cord is needed, this cord won't let you down.
