Description

Protect your front-loading washing machine with this heavy-duty PVC cover, designed to provide complete protection against dust, moisture and dirt. Measuring 78x58x73 cm, it fits most standard washing machines, keeping them in top condition and prolonging their lifespan.

The cover features a zipper that makes it easy to access the washing machine, allowing you to use it without having to remove the cover. Its practical and functional design in blue adds a touch of style to your laundry room, as well as protecting your appliance from possible external damage.

With this cover, you can keep your washing machine in perfect condition for longer, avoiding dust build-up and exposure to moisture. In addition, its resistant material guarantees long-lasting protection, ensuring that your washing machine stays like new for much longer.

Make sure you take care of your front-loading washing machine with this high-quality PVC cover, which combines functionality and style to offer you the best protection for your appliance.
