Perfect for domestic, industrial or professional use. Easy storage and transport thanks to its practical blister pack.

[View product online](#)**Description**

The 6-pack of 10mm hex nuts is the perfect addition to any fastening project that requires strength and durability. This blister pack includes six 10mm hex nuts made from high-quality steel, ensuring excellent tensile and corrosion resistance.

These nuts are ideal for a wide variety of applications, whether in the domestic, industrial or professional setting. Their galvanised finish provides an extra layer of corrosion protection, making them ideal for use outdoors or in wet environments.

In addition, the practical blister pack in which they are presented makes them easy to store and transport, keeping them organised and ready for use at any time. Whether for home repairs, DIY projects or professional jobs, these hex nuts are the perfect choice to ensure a secure and long-lasting fastening.

Don't miss the opportunity to purchase this 6-pack of 10mm hex nuts and make sure you always have the nuts you need for your fastening projects on hand.
