Description

The 500W Tropicano Plug cordless ceramic heater from Taurus is the perfect solution to keep your home warm and cosy on cold winter days. Thanks to its PTC technology, this heater heats up quickly, providing a comfortable environment in a matter of minutes.

Its digital display and timer of up to 12 hours allow you to conveniently program its operation, adapting to your needs and schedules. In addition, its programmable thermostat guarantees a constant and pleasant temperature at all times.

Weighing just 400 grams, this heater is compact and lightweight, allowing you to easily transport it from one room to another. Its modern design with LED lighting and integrated selectors give an elegant and sophisticated touch to any space.

In addition, this heater offers two hot air intensities and a cooling mode for greater safety, avoiding overheating and guaranteeing safe and efficient use. Forget about tangled cables and enjoy comforting warmth with the Tropicano Plug cordless ceramic heater from Taurus.
