Description

The Raydan 26050 brazier is the perfect solution for heating small spaces quickly and efficiently. With two 800W heating elements, this brazier offers two power levels (400-800W) to suit your heating needs. Its 1.5-metre cable allows you to place it wherever you prefer, giving you greater flexibility.

With dimensions of 34x9.5 cm, this brazier is compact and easy to transport, ideal for taking with you wherever you need it. Although it lacks a thermostat, it has an on/off indicator light that lets you know at all times if it is in operation.

In addition, its modern and elegant design adapts to any style of decoration, making it a perfect complement to your home. Whether it is to heat your room, your office or any other small space, the Raydan 26050 brazier will provide you with the necessary heat to feel comfortable and cozy at all times.
