Description

The Solac CF4034 drip coffee maker is the perfect solution for coffee lovers who want to enjoy up to 12 cups of this delicious drink. With a capacity of 1.25 liters, this coffee maker is ideal for sharing at meetings or for enjoying several cups throughout the day.

Its graduated glass carafe not only allows you to see the amount of coffee being prepared, but also maintains the temperature thanks to its heating plate, ensuring that each cup is perfectly hot and ready to enjoy.

In addition, the Solac CF4034 coffee maker has an automatic anti-drip system that prevents spills and stains on the countertop, keeping everything clean and tidy. And for those who are absent-minded, the auto-shutoff after 40 minutes of inactivity guarantees energy savings and greater safety.

Another outstanding feature of this coffee maker is its water tank with a visible level, which makes it easy to use and allows you to control the amount of water being used at all times. With the Solac CF4034 drip coffee maker, enjoying a perfect coffee has never been so easy and convenient.
