Description

The Tescoma Presto 420318 shovel is an essential kitchen utensil for everyday use in any home. Made from high-quality stainless steel and resistant plastic, it guarantees durability and resistance with every use. Its ergonomic design with handle makes it easy to grip and allows it to be easily hung, optimizing space in the kitchen.

With a size of 32 cm, this shovel combines functionality and comfort, being perfect for various culinary tasks such as serving, mixing or cutting food. Its heat resistance makes it ideal for use in hot pans and pots, without worrying about damage or deformation.

In addition, its modern and elegant design makes it a practical and reliable accessory that cannot be missing in any kitchen. Whether for personal or professional use, the Tescoma Presto 420318 shovel is the perfect choice for those looking for quality and efficiency in their kitchen utensils.
