Description

The Tescoma 643630 pitting machine is the perfect solution for removing pits from olives and cherries quickly and easily. Its innovative design allows you to pit both fresh fruit and stewed fruit or even frozen fruit, without damaging the pulp in the process.

This machine features a high-quality stainless steel skewer, ensuring durability and strength. The rest of the machine is made of resistant plastic and silicone, ensuring a long product life.

In addition, the Tescoma 643630 pitting machine features a non-slip base that provides greater safety during use. Its easy assembly and cleaning make it very practical and comfortable to use, and it is also dishwasher safe, making its maintenance even easier.

With a 3-year warranty, you can trust in the quality and reliability of this product. Plus, its compact design allows you to save space in your kitchen, making it an indispensable tool for any olive and cherry lover.
