Description

The Kinvara 81605 Foldable Silicone Extendable Colander Strainer is the perfect accessory for your kitchen. Made from high-quality silicone, this strainer is heat-resistant and easy to clean, as well as being dishwasher safe, making it a convenient and long-lasting option.

Its compact and functional design will allow you to save space in your kitchen, as it can be easily folded away when not in use. In addition, its extendable structure adapts to different sink sizes, making it versatile and practical.

With this strainer, you can drain fruits, vegetables, pasta and much more quickly and efficiently. Its ergonomic design and non-slip handles will provide you with comfort and safety when handling it.

Not only is it functional, but it is also aesthetically appealing, with a modern and elegant design that will look great in your kitchen. Forget about traditional colanders that take up a lot of space and choose the smart option with this Kinvara 81605 foldable silicone extendable colander.
