Description

The TB-032 folding plastic step stool from Arregui is the perfect solution for reaching high places safely and conveniently. With dimensions of 32x29x22 cm, this stool is compact and easy to store, taking up little space when not in use. Its foldable design allows it to be transported comfortably, making it ideal for both domestic and professional use.

This stool is made of resistant materials that guarantee its durability and stability, supporting a maximum weight of 150 kg. Its non-slip surface provides greater safety when going up or down, avoiding possible accidents.

With the TB-032 folding step stool, you can access high shelves, cupboards or any high place easily and effortlessly. Its practicality and functionality make it an essential accessory in any home or work environment.

Whether it's to change a light bulb, reach objects on high shelves or perform cleaning tasks, this folding step stool will provide you with the help you need safely and reliably. Don't wait any longer and get yours!
