Description

The 12cm aluminium/plastic strainer from the KINVARA IMF brand is the perfect accessory for your kitchen. Its design combines a sturdy aluminium mesh that guarantees effective filtering with a coloured plastic handle that makes it easy to handle.

With a diameter of 12cm, this strainer is ideal for straining pasta, vegetables and other foods quickly and efficiently. Its compact size makes it easy to store in any kitchen drawer or cupboard. In addition, its aluminium material makes it lightweight and durable, perfect for carefree daily use.

One of the advantages of this strainer is that it is dishwasher safe, making it easy to clean and maintain. You will no longer have to worry about washing it by hand after each use, simply place it in the dishwasher and you're done.

In short, the 12cm aluminium/plastic strainer from KINVARA IMF is a versatile, durable and easy-to-use accessory that cannot be missing from your kitchen. Get yours and simplify your cooking tasks!
