Description

The Tatay brand's 2.2-litre rectangular airtight container is the perfect ally for keeping your food fresh and well preserved. Made from high-quality borosilicate, this container is resistant to high temperatures, making it ideal for use in the microwave, oven and freezer.

Its dimensions of 19.4 cm long, 31.9 cm wide and 7.4 cm high make it a spacious and versatile container, perfect for storing large quantities of food. Its practical and durable design, together with its airtight seal, guarantee that food is preserved for longer, avoiding spills and maintaining its freshness.

In addition, this container is dishwasher safe, which makes it easy to clean and maintain. Its borosilicate material makes it more resistant than traditional glass, preventing breakage and prolonging its useful life.

Whether you're taking your lunches to work, storing leftovers in the fridge or transporting food for a picnic, Tatay's rectangular airtight container is the perfect option to keep your food safe and fresh at all times.
