Description

The professional microfibre mop with 170 gram strips, model 08011 from the Maya brand, is the perfect tool for efficient and deep cleaning in any space. Its innovative design guarantees greater absorption and resistance, allowing for faster and more effective cleaning compared to traditional mops.

Thanks to its high-quality microfibre material, this mop is ideal for removing the most difficult dirt and stains on different surfaces, from tile floors to laminate or wood. Its ability to retain water and dirt makes it an indispensable ally to keep your home or business spotless at all times.

In addition, its ergonomic and lightweight design makes it easy to handle, reducing fatigue and effort during cleaning. Compatible with most standard buckets and cleaning systems, this mop is a long-lasting investment that will help you keep your spaces clean and shiny for a long time.
