Description

The Masso 231319 Mouse Bait Holder is the perfect solution to protect the bait from unwanted access by other animals or children, thanks to its safety key. Its transparent lid allows easy monitoring of the bait, without having to open it.

Made from weather-resistant materials, this bait holder is virtually unbreakable, ensuring its durability in any environment. Its labyrinth-like interior design facilitates the ingestion of the rodenticide by rodents, ensuring greater effectiveness in pest control.

In addition, this bait holder includes holes for fixing to a wall or floor, making it ideal for indoor or outdoor use. It is recommended to place it horizontally or vertically, at a distance of 10 meters between units, for greater effectiveness in eliminating mice.

In short, the Masso 231319 Mouse Bait Holder is the ideal option to keep your home or business free of rodents safely and effectively. Don't wait any longer and purchase this quality product to protect your space from pests.
