Description

The Titanlux Pearl Grey (509) 250ml synthetic enamel is the perfect choice to beautify and protect your surfaces with a flawless and long-lasting finish. Its high quality is reflected in its exceptional shine and superior resistance, guaranteeing a high-quality final result.

Thanks to its solvent-based formula, this enamel provides a stable and long-lasting finish, ideal for iron, metal, wood or plastic surfaces. Its long-lasting colour and easy application make it a versatile and easy-to-use option in a wide variety of projects.

With Titanlux Pearl Grey enamel, you can give an elegant and sophisticated touch to your furniture, doors, windows or any other surface you want to renovate. Its superior resistance guarantees long-lasting protection against wear and external agents, keeping your surfaces looking new for longer.

Don't settle for ordinary enamel, choose the quality and exceptional performance of Titanlux Pearl Grey (509) synthetic enamel and enjoy a professional finish in all your decoration and renovation projects.
