Description

The 750 ml Titanlux synthetic enamel in grass green is the perfect solution to beautify and protect your surfaces with a shiny and long-lasting finish. Its high quality guarantees excellent resistance and colour stability, keeping its impeccable appearance for a long time.

This enamel is ideal for applying on iron, metal, wood or plastic, adapting to a wide variety of materials and surfaces. Its solvent-based formula ensures a professional and long-lasting result, both indoors and outdoors.

With Titanlux grass green enamel, you can add a touch of freshness and elegance to your decoration or renovation projects. Its vibrant and striking colour will highlight any space, making it the centre of attention.

Don't settle for low-quality enamels that wear out quickly. With Titanlux synthetic enamel, you can enjoy long-lasting protection and a professional finish with every application. Get yours and transform your surfaces with a touch of colour and style!
