Description

Titanlux Brown Synthetic Enamel 250ml (517) is the perfect solution for beautifying and protecting a wide variety of surfaces. With superior quality and exceptional shine, this enamel offers a flawless finish that lasts over time.

Its solvent-based formula guarantees unmatched color stability, maintaining its original appearance for much longer. In addition, its superior resistance makes it the ideal choice for iron, metal, wood and plastic surfaces, offering long-lasting protection against wear and corrosion.

This Titanlux enamel has been designed to provide professional results, allowing you to achieve a high-quality finish with ease. Whether you're refurbishing furniture, decorating metal objects or protecting wooden surfaces, this brown enamel will give you the durability and aesthetic look you're looking for.

Don't settle for low-quality enamels that wear out quickly. With Titanlux Pardo 250ml synthetic enamel (517), you can enjoy a long-lasting, high-quality finish that will enhance the beauty of your decoration and DIY projects.
