Description

Titanlux's 750ml 517 brown enamel is the perfect choice for those looking for a glossy and long-lasting finish in their decoration and maintenance projects. With a high-quality synthetic formula, this enamel offers excellent resistance and colour stability, guaranteeing an impeccable result on iron, metal, wood or plastic surfaces.

Its 750 ml format is ideal for covering large areas with a single application, saving time and effort on your projects. In addition, its glossy finish highlights the beauty of the treated surfaces, adding a touch of elegance to any space.

Thanks to its solvent-based formula, this enamel dries quickly and offers long-lasting protection both indoors and outdoors. Whether you're refurbishing furniture, railings, doors or any other surface, Titanlux's 750ml 517 brown enamel guarantees a professional and long-lasting finish.

Don't miss the opportunity to enjoy the benefits of this high-quality enamel and add a touch of style to your decoration and maintenance projects. Get Titanlux's 750ml 517 brown enamel and transform your spaces with a shiny and long-lasting finish!
