Description

Titanlux's 250ml 587 ochre enamel is the perfect choice to beautify and protect your surfaces with a shiny and long-lasting finish. Its high-quality synthetic formula guarantees excellent resistance and colour stability, keeping its impeccable appearance for a long time.

This enamel is ideal for applying on iron, metal, wood or plastic, adapting to a wide variety of surfaces both indoors and outdoors. Its 250 ml presentation allows you to cover a good amount of area, ensuring a professional and quality result in each application.

Thanks to its solvent formulation, this enamel dries quickly and offers uniform and weather-resistant coverage. In addition, its ochre colour brings a warm and elegant touch to your decoration or renovation projects.

Don't miss the opportunity to enjoy the benefits of this Titanlux enamel, which gives you the confidence of a high-end product with exceptional results. Protect and beautify your surfaces with this superior quality enamel.
