Description

The SV-C400 Equal square rosette handle is a modern and functional design product, perfect for passage and entrance doors. It is part of the exclusive Equal range, which is characterised by its contemporary style and high quality.

This handle is made from top quality materials, which guarantees its durability and resistance. Its 50x50 mm rosette not only adds elegance, but also greater robustness. In addition, its black colour gives it a sophisticated and modern touch, ideal for complementing any type of decoration.

Thanks to its ergonomic design and crank mechanism, this handle is very easy to use and provides a comfortable and secure grip. Its installation is simple and quick, making it an excellent option to renovate or improve any space.

In short, the SV-C400 Equal square rosette handle is the perfect choice for those looking for a high-quality product, modern design and exceptional functionality. It adds a touch of elegance and sophistication to any door, making it an essential element for those who value aesthetics and quality in every detail.
