Description

The 65mm Solid Matt Brass Security Escutcheon (Model 30, 6358 AMIG) is the perfect choice for protecting your home or business. Its sintered steel body and treated steel anti-drill plate ensure maximum protection against burglary attempts.

This escutcheon features a solid outer ring that provides extra strength, ensuring peace of mind that your doors are effectively protected. In addition, it includes a Model 20 keyhole, screws and bracket, everything needed for easy and secure installation.

With a sleek design in matte brass, this escutcheon not only offers security, but also adds a touch of style to your doors. Its 65mm size makes it ideal for doors with a minimum thickness of 40mm, adapting to a wide variety of spaces.

Don't compromise on the security of your home or business. With the 65mm matte brass SOLID shield, you can be sure that you are protected with a product of exceptional quality and durability.
