Description

The IFAM Model 35 Padlock in Nickel is the perfect choice for those looking for security and durability in an everyday padlock. Its tough, hardened steel body ensures maximum protection against attempted theft, while its solid steel shackle offers high resistance to cutting and tampering.

This padlock features a precise and durable locking mechanism, ensuring that your belongings are always reliably protected. Its compact and lightweight size makes it ideal for use on backpacks, lockers and small valuables, providing extra security without sacrificing convenience.

In addition, the IFAM Model 35 Padlock comes with 3 keys, giving you the peace of mind of having backups in case of loss. With this padlock, you can be sure that your belongings will be protected at all times, no matter where you are.

If you are looking for a reliable, sturdy and easy-to-use padlock, the IFAM Model 35 in Nickel is the perfect choice for you. Don't compromise on the security of your belongings, invest in a quality padlock that gives you the peace of mind you need.
