Description

The TIFON 50 padlock is the robust solution to ensure security in your day-to-day life. With a 50mm hardened steel body, this padlock is resistant to cutting and tampering, providing solid protection at all times. Its 10mm case-hardened steel shackle provides maximum protection, ensuring peace of mind for your belongings.

In addition, it has a high-security cylinder and nickel silver keys, which guarantee greater durability and resistance to corrosion, ensuring long-term and effective use. Its compact and practical design makes it ideal for use on doors, storage rooms, bicycles and more, adapting to your security needs in different situations.

With the TIFON 50 padlock, you can be sure that your belongings will be reliably and durably protected. Don't miss the opportunity to purchase this high-quality padlock that will give you the peace of mind you need in your day-to-day life.
