The Tifón 201 12-Padlock Box is the perfect solution for ensuring security in any environment. Made from heavy-duty nickel-plated steel, these padlocks offer exceptional durability that makes them ideal for home, commercial, or industrial use.

Each padlock features a 20mm shackle, making them perfect for securing a wide variety of objects and spaces. Plus, the key-alike system simplifies access to multiple locks, which is especially convenient in environments where quick and easy access to multiple areas is required.

With a robust and functional design, these padlocks combine security and practicality in a single product. Their resistance to corrosion and impacts makes them a reliable option for protecting your most valuable belongings.

Don't miss the opportunity to purchase this Tifón 201 12-Padlock Box and enjoy the peace of mind that comes from knowing your items are safely and efficiently protected.
