The Typhoon 252 6-pack of padlocks is the perfect solution to keep your belongings safe. Made from heavy duty steel, these padlocks are ideal for securing cupboards, suitcases, doors and any other valuables you wish to keep secure.

Each padlock features a 25mm diameter shackle, making them robust enough to withstand any tampering attempts. In addition, their nickel-plated finish provides them with greater durability and resistance to corrosion.

One of the most outstanding features of this padlock box is that all the keys are the same, giving you greater convenience and security by not having to carry multiple keys with you. This is especially useful if you need to use several padlocks at once.

With a compact and durable design, these padlocks are perfect for both home and professional use. Whether you're protecting your personal belongings at home or securing your work equipment in the workplace, the Tifón 252 6-padlock box offers you the peace of mind and protection you need.
