[View product online](#)**Description**

The Tifón 252 high security 6-padlock box is the perfect solution to protect your valuables with peace of mind and confidence. Each padlock is 25 mm high, making them ideal for securing doors, cupboards or any other object that needs to be safeguarded.

These padlocks are corrosion-resistant, ensuring their durability over time. In addition, they are keyed alike, meaning that all the keys included in the box can open all the padlocks, making them easy to use and manage.

Their robust and reliable design makes them suitable for both domestic and professional use, providing optimal protection in any situation. Made from hardened steel, these padlocks offer additional protection against possible tampering or theft attempts.

With the Tifón 252 6-padlock box, you can be sure that your belongings will be effectively and reliably protected at all times. Don't miss the opportunity to purchase this high-quality, guaranteed product.
