[View product online](#)**Description**

The Arregui Keeper-E key locker is the perfect solution for managing access to your keys safely and efficiently. With its opening via mobile phone or touch-pad code, this innovative device gives you the peace of mind of knowing that your keys are protected.

Thanks to its remote management via app, the Keeper-E key locker is ideal for tourist rentals or any situation in which you need to control access to your keys remotely. Its metal body with rubber cover guarantees strength and durability, while its wall installation makes it discreet and easy to use.

With the possibility of using temporary codes, keeping a record of uses and managing users with personalized permissions, the Keeper-E key locker offers advanced security and efficient management. In addition, its power supply with 4 AAA batteries ensures continuous operation without the need for cables.

With external dimensions of 120x80x55mm and internal dimensions of 100x65x25mm, the Arregui Keeper-E key holder is the perfect solution to keep your keys safe and accessible at all times.
