Description

The pack of 10 1mm HSS rolled drill bits model 338N from the renowned Hepyc brand is the perfect choice for those looking to make precise holes in metal materials. These drill bits offer high strength and durability thanks to their manufacture in high speed steel, which guarantees optimal performance in professional and industrial jobs.

With these drill bits, you will be able to make holes with unmatched precision and quality in the finish, making them the ideal choice for applications that require a high level of precision. In addition, their compatibility with standard power tools makes them versatile and easy to use in a wide variety of projects.

Whether you work in the metalworking, carpentry or construction industry, these drill bits will give you the confidence and precision you need to carry out your projects successfully. Don't settle for low quality drill bits, invest in the excellence and performance that only Hepyc drill bits can offer you.

Specifications

Colour	Black
Diameter	1mm
EAN	8426578020004
Manufacturer	HEPYC
Material	Acero HSS
Measures	Ø1mm
