Description

The Hepyc brand 338N 3mm laminated HSS drill bit pack of 10 is the perfect choice for those looking for quality and performance in their drilling jobs. These drill bits are designed to deliver accurate drilling in metal materials, thanks to their high strength and durability.

Made from high-speed steel, these drill bits guarantee optimal performance in professional and industrial jobs, where precision is key. Their laminated design allows for greater wear resistance, making them a long-lasting and reliable option.

With these drill bits, you will be able to drill efficiently and accurately in a variety of applications, from DIY jobs to more demanding industrial projects. Their compatibility with standard power tools makes them versatile and easy to use in any work environment.

Don't settle for low-quality drill bits that wear out quickly. With Hepyc laminated HSS drill bits, you will be able to enjoy superior performance and accurate results in every hole you drill.

Specifications

Colour	Black
Diameter	3mm
EAN	8426578020080
Manufacturer	HEPYC
Material	Acero HSS
Measures	Ø3mm
