Description

The Hepyc 338N 14mm HSS Laminated Drill Bits 4-Pack is the perfect choice for those looking for high-quality, precision drilling tools. These drill bits are specifically designed to drill metal materials accurately and efficiently, thanks to their high-speed steel construction that ensures optimal performance even in the most demanding jobs.

With superior strength and durability, these drill bits are ideal for industrial and professional applications where precision is key. Their laminated design allows for greater wear resistance and a longer lifespan, making them a long-lasting investment for any workshop or business.

In addition, Hepyc's laminated HSS drill bits offer a clean, precise cut, avoiding deviations and ensuring high-quality results in every hole. With this 4-pack of drill bits, you will have the tools at your disposal to carry out your projects with maximum efficiency and precision.

Specifications

Colour	Black
Diameter	14mm
EAN	8426578020516
Manufacturer	HEPYC
Material	Acero HSS
Measures	Ø14mm
