Description

The HEPYC 22x540mm SDS MAX drill bit is the perfect tool for drilling jobs in hard materials such as concrete and stone. Its robust and resistant design guarantees durability and precision in every hole, making it an ideal choice for professional construction and renovation applications.

Made from high-quality materials, this drill bit offers exceptional performance in demanding jobs. Its SDS MAX connection ensures a secure and efficient hold with rotary hammers, optimizing power and drilling speed. In addition, its advanced design allows for rapid dust evacuation, contributing to greater work efficiency.

With the HEPYC SDS MAX drill bit, you can make clean and precise holes in all types of hard surfaces, no matter how demanding the job. Whether you are drilling on a construction project or a home renovation, this drill bit will give you the quality and performance you need to get impeccable results.

Specifications

Colour	Cromo
Diameter	22mm
EAN	8426578031314
Manufacturer	HEPYC
Long	54cm
Material	Acero SDS
Measures	Ø22x540mm
