Description

The Tayg brand plastic tool box is the perfect accessory to keep your tools organized and safe. With dimensions of 500x258x255 mm, this box is spacious enough to store a wide variety of tools neatly and accessibly.

Its sturdy plastic construction ensures long-lasting protection for your tools, while the metal latches provide added security to prevent accidental opening. Its compact and functional design makes it the ideal choice for both home and professional use.

Thanks to its size and structure, this tool box allows for efficient and comfortable storage, making it easy to transport your tools from one place to another without complications. In addition, its durability ensures that you can enjoy its use for a long time without worrying about possible damage or wear.

Don't waste any more time looking for your tools throughout the house or workshop. With the Tayg plastic tool box, you will have everything you need at your fingertips in an organized and safe way.
